01 Pick a Space

Enjoy this to get your wheels turning:

Watch the teaser to our free series on designing a new space at
<https://karrbick.com/createnothingordinary/>

They may **all** be driving you crazy.

Whether you can fill in the blank immediately
Or need to walk through every room in your house,
Choose one room.

02 Write 10 words

Enjoy “What Matters Most” to help help you write your
10 word mission statement:

https://youtu.be/S_z5xqIReJ0

Pick adjectives that describe how you want your new space to look & feel.

Come up with your own words or pick some from our space personality word bank
<https://karrbick.com/wp-content/uploads/2017/04/the-personality-of-my-space.pdf>

03 Dream a little

Enjoy “Don’t Think Just Feel” to unlock your decision-making superpowers:

<https://youtu.be/A4fKvIeNHq8>

Give yourself permission to dream. Enjoy the panorama of the following resources. Notice what you like and what you don’t. Collect pictures that move you. Consider cataloging them on Pinterest boards or as ideabooks on Houzz.

04 Draft your Budget

Enjoy this to find budget freedom & manage your happiness:

<https://youtu.be/6xKpigP1WgA>

Who really *wants* to make a budget? For many it feels limiting when you're trying to dream. Yet we have witnessed budgets launch rather than hinder our clients' projects.

Budgets have saved them time, disappointment & money.

Bonus: How long does a renovation take??? Enjoy this to get a realistic timeline:
